The Public Science Collaborative created 12 Quick Read Documents that summarize efforts that advance the education, research and advocacy efforts connected to this contract and prior SOR efforts. The one-page documents are strategically succinct, easy-to-read, and visually appealing. Eight of the recovery communication materials were widely distributed to attendees from across Iowa and the nation during the Iowa Recovery Conference. All of the materials can be found on the Recovery Iowa website under the Science of Recovery tab.

This project is supported by State Opioid Response funds through the Iowa Department of Health and Human Services, Bureau of Substance Use (IowaHHS) via a subaward from the Substance Abuse and Mental Health Services Administration (SAMHSA) of the U.S. Department of Health and Human Services (HHS).
